The Presidential Pint

Greetings fellow Home brewers and Beer Lovers,

Our upcoming meeting will be at Kitty Hoynes starting at 7:00 PM Tuesday, October 11th.

This month we'll be tasting Octoberfest Beers and I thank one of our former Presidents, Pete Kirkgasser, for the suggestion. Just a real quick recap on some of the club events this past month.

The Wine Tour was completely sold out although we did have a couple of no shows by the time the bus left the hotel. Absolutely wonderful time had by all and hitting 7 winery's may have been a stretch especially for one of the school teachers but, what happens on the bus stays on the bus! Many thanks to Karen Schafer as she is the clubs top salesperson, Karen sold 7 shirts on the bus and we ended up getting 6 new members to join the club.
Hooray!

Please refer to the SCBC website (<http://hbd.org/scbc/news.html>) for more details and as always were very much looking for all or as many members as possible to participate in these great events.

Also, please keep in mind that Pete

Kirkgasser has opened up his home every Monday after the brew club meeting for Brewing Beer. Pete lives at 112 Greentree Dr. just off of Kirkville Rd. West. If your interested in brewing beer please call him at 437-1981 to confirm what your looking to brew. Everyone is welcome to stop by to brew, learn or for some tastings if your time allows.

That's all for now, looking forward to seeing everyone at Kitty Hoyne's for a fun filled evening of tastings and some great conversation regarding Beer.

Cheers for now,

Warren

2005 SCBC Wine Tour

We had a great day for the wine tour this year, sunny and warm. We traveled around Cayuga lake, and as nice as the day was, none of the wineries we visited was too crowded, and the staff of each of the wineries seemed to be VERY tolerant of the antics of our group.

The group shot you see was taken in front of the vineyard at the Hosmer Winery, and we stopped at Lucas Vineyards for a box lunch, where more than a few people enjoyed the 'Nautie' wines.

If anyone would like a copy of the group picture, just e-mail me at brewer13210@yahoo.com, and I'll be happy to send you a copy.

For those that may not remember all of the wineries we visited, here are the winery names and respective web address in the order we visited them:

A Quick Note From the "Editor"

It probably hasn't escaped your notice that this month's brews letter is a bit shorter, a bit plainer looking than it has been in the recent past, and a bit late. This Month Stacy wasn't able to put to Brewsletter together due to events far beyond her control, so this month I volunteered to lend a hand.

As I always expected, it's a bit of a pain, which may explain why the club has had trouble in the past trying to find someone ~~foolish~~ ~~crazy~~ ~~deranged~~ enthusiastic enough to do it. With any luck, next month Stacy will have the newsletter back to it's former self.
